

# Hey 98404! Want to earn a better living?

We're showing our love to the East Side community by helping lift up families and individuals to gain the skills to build a better life.

WorkForce Central and its community partners are connecting the East Side with tools to gain **financial security**.

Working together, residents will be connected to all the services they need to **reduce debt, grow credit, and build skills to be successful at work.**

## Where can I receive services?

We are providing virtual services to customers by phone, text, email, and video calls. When offices reopen to the public, we will be available for in-person services.

## How do I get started?

Speak with a Career Advisor (see contact information below) to help you determine which services best fit your needs. They will help you enroll in the program and connect you to our program partners.
