

VIRTUAL WORKSHOPS

DEVELOP YOUR PROFESSIONAL TOOLKIT

TUESDAYS AT 11 AM (ZOOM)

January 4 | Reinvent You

Starting fresh? Maybe you are starting NEW! Join us to learn how to start the process of gaining a career in a new industry with confidence!

January 11 | Finding the Hidden Job Market

Did you know only 20% of jobs are gained through applying for a posted position? The other 80% are referred to as the "Hidden Job Market." This workshop will help you understand and access the majority of jobs available.

January 18 | Professional Branding

Who are you, how did you get here, and what makes you unique? Can you answer in under 60 seconds? We'll help you to define your personal brand so you can start to "Bet on YOU" and get hired!

January 25 | Career Mapping

Do you have the energy, resources and time for a career change? OR Do you need to identify and define your transferable skills and transition to a new career using your previous experience? There is a formula to create a career map and this workshop will help you learn how to do career research like a pro.
